Dates subject to change

If proofs are required or copy is to be set, material must be received five days earlier than material due date. Cancellations accepted up to closing date only.
 • Note: Buyers' Guide deadlines are four weeks before issue advertising deadlines. The publisher of *Practical Welding Today*® reserves the right to amend this schedule if necessary.

Appearing in each issue:

- Editor's Angle** – Associate Editor Amanda Carlson speaks out on the issues that affect welding's future.
- Aluminum Workshop** – Frank G. Armao provides useful tips for those involved in aluminum welding.
- Arc Welding 101** – Paul Cameron answers welders' work-related questions.
- Consumables Corner** – Michael Ostaffe helps readers navigate consumables-related issues.

Tradeshows to remember:

- Westec** - Los Angeles, March 23-25
- FABTECH Mexico/Weldmex/METALFORM Mexico** - Mexico City, May 11-13
- Eastec** - West Springfield, Mass., May 25-27
- FABTECH International/AWS Welding Show/METALFORM** - Atlanta, November 2-4

New coverage for 2010:

Practical Welding Today readers value the publication for its product information as much as anything else. So this year we are adding a targeted product area that will compile the latest welding product introductions into an easy-to-consume editorial package.

Practical Welding Television returns for a second season and will feature actual welders showcasing their expertise. Join the thousands of other online viewers who gather to watch these entertaining and informative videos.
